Notes:

- CII encourages feedback and investigation as a part of continuous improvement process. Complaint investigation charges are to discourage non-serious clients. In case of faults observed on part of CII during investigations, the Complaint Investigation Fee is refunded to the complainant.
- All Test Charges are payable separately and not included in this schedule.
- Surveillance Testing is charged for FCS Clients only in case of CII Product Certifications.
- For Scopes covered by Accreditation, appropriate fee is added on account of charges payable to Accreditation Body.
- All logistic are required to be arranged or reimbursed by the client.
- For Certification involving multiple locations or series / number of products, additional charges are levied as appropriate.
- All these charges are subject to review. Discount may be offered to any of the charges above based on prior approval on merits of the case.
- All applicable charges are NON REFUNDABLE.
- The certificates are valid for three years. Re-certification shall be carried out after three years, for all the schemes.
